Brain dump

Write everything down, in any order: tasks, worries, ideas, things to buy. The sorting page is in the full planner.

Dopamine menu

A list of things that lift your mood or energy, picked in advance so you don't have to think when you're low. The examples are just starters; cross them out and write your own.

Starters
5 minutes or less, quick boost

one loud song, dance or sing

step outside for fresh air

Mains
longer, really refills you

walk with a podcast

cook something new

Sides
pair with a boring task

playlist or audiobook

body-double call with a friend

Desserts
nice in small portions, use a timer

short video break, 10 min

one game round

Specials
rare treats worth planning

concert or day trip

Noticed it works
what actually helped this week

Task breakdown

Too big to start? Cut it into steps you could finish in about 15 minutes. The first step should be almost silly small.
